(Note: The District Educational Officers of the erstwhile districts are hereby instructed to co-ordinate with the concerned Medical Officers to issue all types of Medical Certificates for the teachers in the above mentioned preferential category, as well as those eligible for Special Points in transfers on medical grounds, for the purpose of facilitating transfers.)

In view of the above, all the District Educational Officers are hereby requested

1. To co-ordinate with the Medical Superintendents of concerned Government General Hospitals in their respective districts to ensure smooth planning and execution of the medical camps.
2. To constitute a monitoring committee in each district with the officers consisting of the Deputy Educational Officer (DyEO) or Assistant Director, Mandal Educational Officer and Headmaster (Government/ZP/MPL/MPL.CORP) concerned in which the Govt. General Hospital is located.
3. To make all necessary arrangements at the camp venues such as proper seating, registration counters, verification desks, drinking water and waiting areas and other essential amenities.
4. To ensure accurate documentation and proper record-keeping of all medical certificates issued during the camp.
5. To provide proper guidance and support to the teachers attending the camp in order to avoid any disruptions or delays.
6. To take immediate action, if any discrepancies, forged documents or irregularities were identified by the Committee. Strict disciplinary action shall be initiated against the individuals who found to be involved in such activities, as per the applicable rules and regulations.
7. The above information should be disseminated through press releases, WhatsApp groups, and electronic media to ensure that all eligible teachers applying under the preferential category, as well as those entitled to special points, are compulsorily informed and able to avail themselves of the facility.

All the Regional Joint Directors of School Education and District Educational Officers in the State are requested to personally monitor on conduct of these medical camps and ensure that the process is carried out smoothly and successfully, without attracting any criticism in the matter.
